# Day 3 journal entry

Garrett Waters

> *Prompt option 2:* **What is one new skill or piece of knowledge you've gained this week? How do you see yourself applying this in the future?**
>
> One new piece of information I have learned is how Redhat utilizes open source technology to run their business. Coming into this internship I didn't have a clue how Redhat made a profit. Now I realize they make money by selling subscriptions to people that need help fixing or using their technology. It was an eye-opening realization.

Export + contribute your reflection

1. Once you've filled out the above prompts, export this doc as a PDF. Note: make sure you rename the file to be in the format `[Firstname Lastname] Day 3 Journal Entry`

2. Now that you have a PDF of this week's reflections saved locally to your laptop, you should contribute the PDF to your personal GitHub dropbox area in our shared repo.
Use the 'Journal entry contribution' cheat sheet here to assist you and ask a GitHub coach for help if you need it!
